Scanned test report

This filler paragraph checks that long paragraphs are rebuilt as a single line, with no arbitrary breaks and no duplicated spaces between words, across several lines of justified or ragged text in a single-column layout.

1 Background

This filler paragraph checks that long paragraphs are rebuilt as a single line, with no arbitrary breaks and no duplicated spaces between words, across several lines of justified or ragged text in a single-column layout.

- First point of the list
- Second point of the list
- Third point

2 Conclusions

This filler paragraph checks that long paragraphs are rebuilt as a single line, with no arbitrary breaks and no duplicated spaces between words, across several lines of justified or ragged text in a single-column layout.
